1. Introduction

In this school, we believe bullying is hurtful and can harm people. Bullying can be upsetting and make people feel sad. It can only be classed as bullying if it is on several times on purpose. It can happen in different ways such as through:

- speech
- hitting and pushing
- being rude
- online

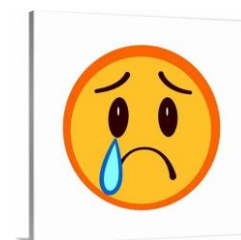

Create your own at Storyboard That

Bullying is not:

- falling out with your friend
- an accident
- when you do not agree

This what happens when you bully someone.
So please **DO NOT BULLY!**

2. Aims

At Coton School, these are our aims:

- To create a space where people feel safe all of the time
- To show people they should not put up with any types of bullying,
- To show people what they should do to stop bullying when they feel like they are being bullied,
- To show that this school is an anti-bullying school.

As a school, we hope that we can reach our aims to make this school an anti-bullying school.

3. Prevention

Bullying can be stopped in many ways. All pupils can:

- go to our school library and get a pupil voice sheet
- Talk to a teacher or any adult in school
- Go to our school website and press the stop button and it will send a message to Mr Smith.

5. Reporting

In our school we have many ways to report bullying. You could find a member of staff or a teacher and tell them you think you have been bullied. Or you could tell a friend or parents. You might want to write a pupil voice sheet or press the STOP button on the website. There are many ways to report bullying.
