

Wrap Around Care at Coton-in-the- Elms Primary!

Dear Parents/Guardians,

Over the past few years, we have offered breakfast clubs, and sports after school clubs at Coton in the Elms Primary.

We're delighted that, after listening to feedback, we will be changing our offering, to our brand new 'Progressive Kids Wrap Around Care' - offering more than just sport.

Our morning wrap around, starts at 7.30am, which includes a small breakfast, to give children an active start to the day.

Following the school day, our evening wrap around care will now run until 5.00pm daily. This will not only just include a variety of multi-sports activities, but also a more varied approach, such as arts, crafts, health and fitness, wellbeing, games, Lego, discovery zones and more.

Miss Topliss will be leading the wrap around care, and we will now be adding an evening snack to the evening wrap around care too!

Attached is further information to our changes to clubs for January 2024. The wrap around care is already Ofsted registered, so we look forward to offering a variety of activities to suit all ages.

Best wishes,
